Los Angeles, California 90012

Dear Honorable Members of the Los Angeles City Council:

As you consider the future of the proposed Las Lomas development in northern Los Angeles County, I am writing to add my voice to that of civic organizations, environmental advocates, and area residents in opposition to this project.

Las Lomas, proposed to be built on a major swath of open space between the San Fernando and Santa Clarita Valleys, is an example of the type of urban sprawl policy makers should be firmly rejecting. Thousands of homes and millions of square feet of commercial office space at this location would burden already overtaxed regional infrastructure.

The project would undoubtedly have major negative impacts -- environmental, transportation, and public safety -- on the quality of life for residents of the entire San Fernando Valley, and it should not move forward. Thank you and please contact me if I may be of any assistance.

Sincerely,

A handwritten signature in black ink that reads "Mike Feuer".
